

CANCELLATION NOTICE

LF 126, Continuation Sheet for Purchase Request/ Purchase Order (PR/PO) (Rev. June 1993)

Cancelled effective 09-05-07

LF 126, Purchase Request/Purchase Order (Rev. June 1993), was the tool formerly used to continue the initiation of purchase request/purchase order (PR/PO) for the purchase of items through Procurement and was specifically used to initiate PRs/POs for items that required a price for each item (DOD and GSA). Because SAP now has that functionality, the form is no longer used and is officially cancelled.
